Nominating Charity Instructions

As the nominating charity, you are responsible for:

MAKING SURE A CROWD OF 25-30 ATTENDS THE PERFORMANCE

The show is geared towards this size and we staff based on those numbers. If the family does not have a network of friends or family that can reach that number, you as the nominating charity must fill with employees, friends or volunteers of your own. A small crowd means a small celebration for your nominated family and BW says that will not do.

WITHIN THE CROWD OF 25-30 THERE IS A MAXIMUM OF FIFTEEN YOUTHS

If we have too many kids, parts of the show will bog down, and we will also have to delete some really cool stuff. So, of the 25-30 total you are bringing, under 15 kids is the right number.

MAKING SURE A SECONDARY CHARITY IS SELECTED BY THE FAMILY (*this is an absolute MUST!*)

Our most basic tenet is that **giving is fun**. Not selecting a second charity to also receive funds does not mean you will get more; it simply means that an opportunity to give to a charity that has also helped your family is lost and the nominated child will only have the fun of giving one gift, not two.

We would be all too happy to help you figure out a charity that works well. Smaller charities are strongly preferred, but not required.

SEE PAGE THREE FOR SOME PRE-APPROVED 501C3s. If the charity selected is not a 501c3, the family will be asked to select a different charity.

Secondary Charity Information

REQUIRED, NOT OPTIONAL: Please complete the information below specifying the secondary charity the family is nominating in recognition of that charity's assistance to the nominated child and/or family.

We **strenuously** recommend that secondary charities be SMALL so that the donated dollars can go farther.

If the family does not have a charity to suggest, see the final page for a list of charities we have worked with in the past and have our whole hearted endorsement.
